10 March 2017

Our value for this month: Faith

Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours.

Mark Chapter 11, verse 24

Who's Who

A special mention to the following pupils for:
Learner, Role Model and Writer of the week:

Parents' Evening

Many thanks to all who attended our parents' evenings this week. It was lovely to see so many of our families around school. We hope that you felt the information given was useful and pleasing.

We share information with parents about children's progress at least once a term through two parents evenings and one written report at the end of the year. If you have any concerns in the meantime or just want to catch up, please speak to teachers who will be happy to meet.

We are very interested in parent's views as they can help us 'to be the best that we can be'. On parents' evening, we give out surveys to get to know your opinions. If you didn't get a chance to fill one in, spare copies are available in the office. We'd love to know what you think, partly so we can celebrate our successes and partly so we can listen and improve.

Parents have two opportunities to share their views in survey each year, however, if there are comments you'd like to share in the meantime, good or bad, please speak to a member of staff.

Snapchat

Snapchat is an app that enables users to send messages, share images and videos. Whilst many of these apps are great, they must be used with caution and with the knowledge of parents. The passage below was copied from Family Share, a web site for parents.

Snapchat has "Terms of Use" that need to be read and discussed. These terms include verifying the user is at least 13 years of age and, if under age 18, they have parental permission. The user also agrees to grant Snapchat access to their address book and allows it to upload that information to its servers. Now you have just shared private contact information on your family and friends without their permission.

Eco-Schools—Pupil Voice

We want our children to have a voice in how their school is run. This develops their understanding of democratic values and rights.

Our Eco-Schools groups have been working exceptionally hard on a very special document. They have completed a comprehensive survey of our school and how we handle environmental issues. They have made an action plan and over the next few months, they will be making big changes around our school to make it more environmentally friendly. Keep your eyes open for changes. Brilliant!

Staff and Governors Who's who?

Our school team is made up of lots of people, each of whom contributes their energy and talents to make our school the great place it is to learn and work. We want you to know who they all are! Mrs Brooks has put together a staff notice board in our reception area, sharing all of our mugshots, departments and roles. Take a look next you're in.

We are collecting Sainsbury's Active Kids vouchers if you have any please send them into school. Thank you

We have spaces in Nursery if your child is 3. Please pick up a application form from the school office.
