Lest we forget...Our worship this week has focussed our thoughts and prayers on the service men and women (and animals) who fought to protect our freedom. On Tuesday, we were joined by a ventriloquist called Mark Griffiths who shared stories of animals who had various important jobs to do during the Great War. On Wednesday, Peter Wroe, retired serviceman and policeman, joined us to talk about the First World War and how poppies came to be a symbol for the Royal British Legion. Year 6 have been working hard all week to rehearse for their class assembly, sharing their learning about Remembrance and its origins. Many thanks to Miss Thomas, Mrs Parkinson and Year 6 for helping to make our Remembrance week special.

A special mention for out of school achievement to:

- Oliver Bishop Rugby
- Caitlin Taylor Musketeer
- Jack Taylor Star Fencer
- Thomas Darbyshire Beavers Badges
- Tulip Saini & Karthikeyan Veilumuthu Diwali dance for Mayor

### Parents' Evening

Thank you to all of our families for their support on our parents' evenings. Teachers say it was great to get together to discuss our children and their achievements. If you didn't manage to get to an appointment, don't worry. Our teachers will be in touch shortly to arrange one. Don't forget, if you have any concerns or questions in the meantime, you can always arrange to see a member of staff who will be happy to have a catch up. Many thanks to our governors who were in school on both evenings to meet and greet our families and keep the tea and biscuits flowing.

Well done to Y1 for winning the attendance trophy last week with 99.6%.

Last weeks Lucky Dip Winners:

- KS1 Alfie Weatherby
- KS2 Kasing Yang

Our new Dinner Supervisors award was for Y6.

### Children in Need

On Friday 18th November, we'll be raising money for Children in Need. We're asking children to wear pyjama's and would be delighted if everyone could bring in a donation of £1 for this very worthy cause.

### Reading Club

Miss Thomas and Mrs Parkinson are passionate about reading and want to give our KS2 children an opportunity to curl up with a good book. On Monday lunchtimes, from 12.45—1.15, they will be inviting children to join them in the library for a chilled reading session.

There will be a meeting in school on Monday 14th November at 2.30pm to organise the Christmas Fair. Any parents who cannot attend but are willing to help please let Mrs Yates know. Thank you for your help in this important and exciting venture.

### Pupil Voice

Our *Eco-schools council* have been meeting weekly and doing an environmental survey. This helps us to understand how eco-friendly our school is (and how we can improve) and will be used to make an action plan for the coming year. We can't wait to see what they come up with! Our *School Council* have also been busy, setting up their meetings and deciding what their big mission is going to be for this year. We're excited to see how they can improve our school. Next week our school council have a special job to do—choosing our Christmas tree from a farm in Culcheth.

### Eco-tip

Our Next Eco-tip comes from Bethan Lloyd in Year 5:

*When a room is not in use, it's important to turn off the lights. This saves electricity, saves money and means there's less pollution!*  
Great advice! Let's reduce our carbon footprint!
