## Our Value for January: Respect

*Do to others what you would like them to do to you.*

Matthew, chapter 7, verse 12

The whole school attended the pantomime last week and all of the children enjoyed the performance enormously. As ever, our children were excellent representatives for our school. Many thanks to our staff and volunteers for giving our children such a memorable time.

Well done to Y1 & Y2 for being joint winners of the attendance trophy last week with 98.7%.

## The Epiphany.

Earlier in the week, we visited church for our Eucharist service. We talked about The Epiphany and what we can learn from the dedication, faith and generosity of the Three Wise Men. Year 6 led our worship, expertly doing the Bible reading and prayers. Whilst we were there, we lit votive candles and offered special prayers for loved ones. On our way out, we blessed ourselves with holy water. Don't forget, families are very welcome to join us for our Eucharist services - we love them and enjoy the chance to listen, reflect, sing and worship together in our beautiful church. Look out for details on the weekly newsletter.

### Online Safety

Digital resources offer a wider range of play, learning and communication opportunities for us as adults and for children too. There are, however, lots of opportunities for things to go wrong too.

We want our children to be able to access the digital world safely and avoid the many dangers that exist online.

Internet Safety Day is a national event and our school will be teaching children how to stay safe online. We'd also like to share that learning with parents too.

We have arranged for a parents' meeting to take place on Internet Safety Day. It's a chance to get together over a coffee and a biscuit and share some hints and tips about using the internet safely. Our children often know more than us about the online world so it's a chance to get one step ahead!

We'll be joined by Kristy Messham from the NSPCC, who will be able to answer any questions you may have.

Pencil the date in your diary, we hope to see you there.

### The Mayor's Guinness World Records Attempt.

Cllr Les Morgan, 'the Mayor who cares,' is attempting to achieve a world record: 'Mayor visits most schools in one school day'. The mayor will visit and talk to the children about community and helping each other. Children are invited to wear own clothes for the day and make a voluntary donation to the mayor's charity. Our school is the first one he'll visit so children will need to be in school on time and ready to go straight to assembly!

As the weather is cold and often wet, please ensure that all children have a coat and hats, gloves and scarves. Thank you.

If your child is visiting Spain, have you applied for an EHIC card? This needs to be done within the next few weeks using the following website - this is a free service. Please be aware that some other websites will charge for the service. <http://www.nhs.uk/NHSEngland/Healthcareabroad/EHIC/Pages/about-the-ehic.aspx>. Check on line and at the post
