Our value for this month:

Respect

A good name is more desirable than great wealth. Respect is better than silver or gold. Proverbs 22:1

It's behind You!!

Art Week

Every half term, we have a special themed week and next week is Art Week. Each class will become experts in a particular artist and style, having opportunities to develop lots of reading and writing skills, as well as artistic skills.

Our Celebration Worship next week is a sharing learning one, so please join us as representatives from each class share their expertise. We can't wait! Many thanks to Miss Fyfe, our Art Leader, for organising our week.

The whole school attended the pantomime last week and all of the children enjoyed the performance enormously. As ever, our children were excellent representatives for our school.

If your child is visiting London could you please ensure that all forms and outstanding payments are in school as soon as possible. Thank you for your support.

Well done to Y4 for winning the attendance trophy last week with 98.1%.

As the weather is cold and often wet, please ensure that all children have a coat and hats, gloves and scarves. Thank you.

Could we remind all parents to check their children's hair on a regular basis for any head lice and treat accordingly. May we also ask that any child with long hair have it tied up for school—this reduces the risk of infestation. Thank you for your help in controlling this unpleasant problem.

If your child is visiting Spain, have you applied for an EHIC card? This needs to be done within the next few weeks using the following website - this is a free service. Please be aware that some other websites will charge for the service. <http://www.nhs.uk/NHSEngland/Healthcareabroad/EHIC/Pages/about-the-ehic.aspx>. Check on line and at the post office for passports forms.

Our Safety Officers, Penny and Leo, helped to present an assembly last week with Tony, our PCSO and Lesley Patterson from Warrington LA. It was all about travelling to school, the health benefits of walking or riding and how to park considerately. Penny and Leo will be working again with Tony to help ease congestion in the mornings. Watch this space.

When dropping off or collecting children, please park thoughtfully and avoid blocking the front gates to school. We must keep the entrance clear for emergencies and families with additional needs. We love that many of our children come to school on their bikes and scooters - remember though, once children pass the school gate, bikes and scooters should be walked to avoid collisions.
