## Our Values

### **Generosity**

*There is more happiness in giving than receiving.*

Acts 20:35

**Young and old, learning from each other...**

Awesome Attendance! Well done to Y3 and Miss Connolly for winning the attendance trophy last week with 99.3%. It's no wonder they are so clever with such great attendance!

### **4 Year olds and 84 year olds learning from each other.**

On Wednesday 11th October a group of Reception children started visiting the people in a local care home. This is a project inspired by the Channel 4 programme 'Care Home for 4 year olds', which demonstrated that young and old can gain a great deal from spending time together.

The children were very excited and represented our school superbly. They were a credit to their families with their best behaviour and manners. They had great fun playing with balloons, singing songs and having afternoon tea with the elderly residents who were delighted with their new friends. We look forward to our visit next week. During the year all children in Reception will have the opportunity to visit the residents and spend time doing different activities with them. See the website for pictures of our lovely afternoon out.

As the weather is very autumnal, may we remind everyone that all children need to have a warm, waterproof coat in school.

Children also need their outdoor kits for PE and Games, including some old trainers.

### **Macmillan Coffee Afternoon**

Together we raised a fantastic £548.31 for Macmillan Cancer Support. Thank you so much to everyone who supported this hugely enjoyable event. Thanks also to our organisers and band of helpers—you're fantastic!

As from the 15th of October we will no longer be able to accept the old style £1 coins. You have been warned!

### **Reception Area Refurbishment**

With the generous help of Chester Diocese, our front end of school is going to benefit from a refurbishment. It will commence during the half term holidays and may take up to 6 weeks. We're very excited about it and can't wait to see the end result! Please be aware that there will be changes on the car park, in our main office and at the front of school. We'll keep you posted!

Sir Thomas Boteler are holding taster sessions for Y5 & 6 pupils. These are very enjoyable and help children to get to know the high school before their big transition into Year 7. The next one is **Tuesday 17th October from 3.45 - 4.45pm.**

*Contact STB to book your place.*
