Governor Elections

Nominations for parent governor positions closed today. We are delighted that we have three nominations! Thank you so much to our nominees. As we have two vacancies and three nominees, this means there will be an election. Nominees are invited to produce a statement which will be shared with the whole school community next week. Parents can then use these to help them decide who to vote for.

Further details will follow next week. Please take the time to read the statements and think about how to use your vote. These are important and responsible positions and your opinions really count.
