Our Values

Values are qualities or beliefs that drive our thinking, actions, behaviours and attitudes. Our values as a school are based on the teachings of the New Testament and drive everything that we say and do.

Every month we will focus on a different value in our worship and class discussions. This

month's value is **Hope.**

Democracy Matters!

Democracy in Action!

Pupil voice is very important to us at LSJ. We want our children to know about *democracy*, share their opinions *confidently* and find their voice.

Children in KS2 have been invited to stand as **School Council** or **Eco-Schools** representative for their class. Candidate slips have been given out and children will hold an election next week. Our new councillors will be announced at next week's Celebration Assembly!

Eucharist at St James

On Tuesday, we held our first Eucharist service at St James Church. It was led by our Ethos Group who organised the service and did the readings. We were joined by a small number of parents who said they loved the service and really enjoyed the singing.

We'd love as many parents as possible to join our services in church—keep an eye on the 'Forthcoming Events' and put them in your diary.

Mrs Ireland has begun talking to Year 5 and 6 children about confirmation. We were delighted that lots of children said they were interested. Please speak to your children about it too to help them develop their ideas about it. If you have any questions, please speak to Mrs Ireland or Mr Flute.

School Dinners

Advance notice that school meals will be increasing from 1st October to £2.30.

Could we remind all parents that any money sent into school needs to be in a named envelope. This avoids any confusion and helps our office staff enormously. Thank you for your help.

Cycling to School

Riding to school is something we want to encourage—for children and adults. Please walk your bike when on the school grounds though—mornings and evenings are very busy with children everywhere—let's play our part to keep everyone safe.

A special mention for out of school achievement to:

- Joel Williams Rugby & Running
- Thomas Darbyshire Gymnastics
- Libby Schofield Swimming
- Connor Bell Swimming

Oliver's Australian Adventure

Oliver Bishop in Y5 will be travelling to Australia in October on a rugby tour. His final fundraising event will next Friday, 22.9.17. For the price of 50p, children can come into school dressed in sporty clothes of their choice. Oliver and his mum will also be selling cakes at playtime, home time and during the celebration assembly.

Staying Safe

Could we remind everyone that there are to be no dogs on the school grounds—whether they are being carried or otherwise. Please leave all dogs outside the school gates.

As from the 15th of October we will no longer be accepting the old style £1 coins. Thank you for your help in this matter.
