English Speaking Board

In recent weeks children in KS2 classes have been working really hard for the English Speaking Board presentations. Children prepare a short speech on the subject of their choice, recite a poem and read a favourite passage from a book. Governors are the audience and award the children a certificate. Governors have been very impressed with the presentations they have seen so far and are looking forward to more next week.

Please note that bikes are not to ridden on school premises this is for adults and pupils alike. Please dismount and push your bike from the gate. Thank you for your help in this matter.

Could we remind all parents that all after school clubs with the exception of fencing and sports clubs are £1 per week and are to be paid on a Monday in a named envelope. Thank you for your support.
