Our Value for July: Honesty

Honest people will lead a full, happy life.

(Proverbs 28:20)

We would like to say a very, very fond farewell to all our wonderful Year 6 pupils who are leaving us and wish them every success in their new schools.

They have been a fantastic class and they will be missed, one and all. Always remember to be 'the best that you can be!'

Well done to Y6 for winning the attendance trophy last week

End of Year Assessments

We shared our end of year assessments with children and parents recently as end of year reports were sent home.

Once again, our outcomes for children show a year-on-year improvement. Our staff have worked extremely hard to help our children achieve, in many, many ways. Our outcomes clearly demonstrate this.

Look out for our published results on the school website early in the new academic year.

SUCCESS

Summer Time Fun

It's been a very busy and successful year for our children and staff. End of year assessments show year on year improvements, SIAMS gave us the judgement we wanted for our 'church school distinctiveness and RE teaching' and school leaders continue to innovate and improve our curriculum offer. As a head teacher, I am so very proud of our staff and the 'extra miles' they go to every day. We would like to take this opportunity also to thank you all for the help and support you have given to the children, staff and school this year. We would like to wish all our families a very happy and safe summer holiday.

Forth coming events:

- Fri 20th July Celebration of Learning in church at 11am.
- Fri 20th July School Closes at 1.30pm**
- Tue 4th Sept School re-opens at 8.50am**
- Mon 10th Sept Y5 & 6 Safety Central

We would like to say good luck and farewell to Mr Yates as he has secured a new position at Appleton Thorn. Thank you for all your hard work and support you have given us over the last year.

Religious Education 'vital for diversity'

We want our children to 'be the best that they can be' and so our religious education enjoys a very high status in school. Our multicultural education is great and our Faith Week teaches all of our children about diversity and equips them with the skills they need to flourish in a multicultural country. A report out today supports this view and calls for schools nationally to teach the way that we do. It makes interesting reading.

Google: *religious education vital for diversity BBC News* for more information.

Warrington Borough Council has asked that we inform all parents of the following

Please be aware that all direct debits have now been cancelled. There will be no longer be a facility for parents to pay for school meals via direct debit.

Therefore from **September** all payments for school meals in your school will be **cash on the day**.

House Cup Winner Announced!

Each child and staff member belongs to a house team: *White Rabbits, Mad Hatters, Cheshire Cats or Dormouse*. Points are awarded for hard work and good behaviour.

On Monday, we held our inter-house games and groups competed in fun activities to earn points for their houses. Much fun was had by all—take a look on the website for pictures. Staff and children loved it! We're very grateful to Mr Waldron for all his hard work and skill in organising the whole event. The winners on the day were 'White Rabbits'.

The cup winners for the year are also White Rabbits and they will be celebrating on Thursday afternoon with a special treat.

Our end of term disco was a huge success. Children and staff, as always, had a great time. We are very grateful to all of the helpers, parents and staff who make these great events happen and run so smoothly. In particular, I'd like to thank our teachers, TA's and caretaker, Mr Miller, who stay behind after school to give our children great experiences. Thank you.

The People and Wildlife Team at Cheshire Wildlife Trust are running Wildplay sessions in the school holidays, for children and their parents/carers, at Moore nature reserve, Near Warrington. It will run weekly and will provide a variety of environmentally themed activities. These will include, pond dipping, Minibeast hunting, environmental art, Forest School activities and much more.
