The school, through its distinctive Christian character, is outstanding at meeting the needs of all

Learners!

That's what our SIAMs inspector said about our school. The report arrived in school yesterday and we are delighted with it.

Our inspector scrutinised our outcomes, website, policies and planning. She then spent a day in school, meeting children, parents, staff and governors, watching learning and joining us for worship.

The detailed report recognises that we are outstanding at meeting the needs of our learners, good at worship, good at RE teaching and learning, and finally, leadership and management are good too.

We are immensely proud of our achievements. We know how special our school is every day, but it's great to have that recognised by an inspector.

I've had the joy of working in many schools, but ours is genuinely the most caring, nurturing and dedicated school I've ever known. It really is distinctive. This is because our staff are talented, hardworking and dedicated. They are a privilege to lead. I'd like to thank everyone for their hard work and commitment to our school and our children. Well done.

Please read the full report on the website.

Love is all you need...

Basketball at Ball Hall

On Monday, our KS2 children had lots of fun with Steve Welsh playing basketball. Steve runs a basketball club at Ball Hall on Saturdays. If you'd like to get involved, please see the leaflets sent home with the children this week.

Internet Safety Day is a national event and our school will be teaching children how to stay safe online. We'd also like to share that learning with parents too. We have arranged for a parents' meeting to take place on Internet Safety Day. It's a chance to get together over a coffee and a biscuit and share some hints and tips about using the internet safely. Our children often know more than us about the online world so it's a chance to get one step ahead!

We'll be joined by Kristy Mesham from the NSPCC, who will be able to answer any questions you may have. *Children in our school and in Sir Thomas Boteler have found themselves in very unpleasant situations online. This is not something that just happens to other people's children. You need to hear these messages.* Pencil the date in your diary, we hope to see you there. **Tuesday February 6th, 9am in the school hall.**

If your child is visiting Spain, have you applied for an EHIC card? This needs to be done within the next few weeks using the following website - this is a free service. Please be aware that some other websites will charge for the service.
