20 April 2018

Our Value for April: *Forgiveness*

Be kind to one another, tenderhearted, forgiving one another as God in Christ forgave you.

Ephesians 4:32

A Technological Treat!

On Tuesday, KS2 children spent a fascinating afternoon working with robots, virtual reality headsets and programmable apps. They had a brilliant time and learned a great deal about exciting technologies.

KS1 will enjoy a robotics afternoon next week too. Many thanks to Miss Connolly, our ICT leader for arranging such a great event!

A London Adventure...

On Monday, Year 4 had a very big day out in London. We sped down on the train, visited the British Museum's Ancient Egypt gallery in preparation for our new topic and had lunch watching cosmopolitan life go by. We spent two hours in the world famous Pineapple Dance Studio, learning two amazing dance routines. Afterwards, we visited Covent Garden before an evening meal and then home. It was a long, exciting day and all of our children were a credit to their school and families.

Many thanks to our dedicated staff who go the extra mile to give our children brilliant experiences that they will remember for ever.

Look out on the website for pictures of our adventures.

School Uniform

Our kids look really smart in their uniforms and we really appreciate the lengths parents go to to send children in clean, smart and sensible. Recently, there have been some headbands worn for school that aren't suitable. Although they are lovely, playful, novelty accessories aren't suitable. Best save these for the holidays!

Well done to Y5 for winning the attendance trophy last week with 98.1%.

Summer fun

Forth coming events:

Mon 23rd Apr	St Georges Day Celebration— please wear red and white!
Tue 24th Apr	Y5 Grease Performance at STB pm & evening

Wed 25th Apr	Football Club KS2
Wed 25th Apr	Cooking Club (invite only)
Thur 26th Apr	KS2 Choir
Fri 27th Apr	Multi Sports Y3 - Y6

As the new financial year has begun, all school meals need to be paid for on a daily or weekly basis. Direct debit can be set up which is the easiest option. When school dinners are not paid for, this causes problems for school. If the debt is over £11, then we will be asking you to send your child with a packed lunch until the debt is clear. As a school, the debt becomes our responsibility if it is not paid. This could mean money that should benefit our children is lost. If the debt is not cleared within the month then we have to forward the debt to the local authority to retrieve the outstanding balance. This isn't something we want to do so please ensure dinner money is paid promptly.

If anyone has a double buggy, buggy board or baby carrier that they are no longer using and would like to donate, we have a family in school that could make very good use of one. Please contact the school office or Mrs Yates if you are able to help. Thank you.

Bike-right Training

We want our children to be great cyclists, partly to stay safe, partly to stay fit and partly because it's great fun! Year 5 took part in cycling workshops today, learning new skills, learning about safety and becoming safer road users. Our rich and varied curriculum really does help our children to 'be the best that they can be!'

Department for Transport

If you have a child and would like a nursery place in September please ensure that you complete an application form—please contact the school office.
