Our Values

Yes, my soul,
find rest in GOD;
my hope comes from him.

Lovely Lunchtimes

Our lunchtimes in school are great and our new Reception class have had their first taste of school dinners this week.

Our staff invest lots of time and effort, helping children to learn the etiquettes of meal times: sitting nicely, using a knife and fork well and chatting in our 'restaurant voices'. Some children find these things a challenge—I know parents will help to teach children how to manage meal times with independence and good manners. Here's some *top table tips*:

- Sit nicely at the table*
- Hold knife and fork correctly*
- Cut food into manageable chunks*
- Chew with mouth closed*
- Don't talk with your mouth full!*

Car Park Problems

Could we please remind all parents that the car park is for staff use only and not for collecting or dropping children off at school or nursery. It becomes very congested out there and could become dangerous in the event of an emergency.

National TA Day

Last Friday was National TA day, a day to show our appreciation for our wonderful TAs. We are very lucky to have such dedicated, hardworking and compassionate TAs who, everyday, go the extra mile for our children (and our teachers). We gave them a certificate, some chocolates and a nice cake at playtime.

Cross Country at Walton Hall

Like running? Cross country events are taking place for junior children at Walton Hall Gardens in the coming months. They are all on Saturday mornings at 10:30 am. Dates are: 13.10.18, 17.11.18 and 8.12.18. Ask at the office for details.

Healthy and Happy Packed Lunches

We're often envious of the lovely packed lunches that some of our children bring to school. They can be colourful, varied and extremely tasty—some are even exotic and contain tantalising foods we've never seen! There are a few, however, that contain too much sugar and too much fat. Here's a reminder from *NHS Choices* of what a balanced lunchbox should contain:

Starchy foods like bread, rice, potatoes or pasta—for energy

Protein foods like meat, fish, eggs or beans—for growth

A dairy item, like cheese or yoghurt—for strong teeth and bones

Vegetables or salad and a portion of fruit—fro vitamins and anti-oxidants

We know our kids (and ourselves) are partial to a sweet little something—please make sure this is a small biscuit or cake. It shouldn't be bars of chocolate or bags of sweets—sugar overload and additives don't make for happy, energised kids.

*Thinking of ideas for lunchboxes can be a chore—have a look at the *Change for Life* website. It's brilliant. There you'll find loads of great lunchbox ideas.*
