23rd June 2017

Our value for this month:

Honesty John 3:18

*Dear children, let us not love with words or speech but with actions and in truth.*

Well done to Rec & Y4 for winning the attendance trophy last week with 100%.

If anyone has any outdoor trainers that no longer fit their child then we would be grateful for them to use in school. Many thanks.

Now the weather is warmer could you please ensure that children have a high factor sun cream applied before school, a water bottle and sun hat in school.

We have been asked by our Forest school teacher, if you have any old pans and spoons could they be sent into school to be used in the children's outdoor lessons. We're very grateful for your support!

Picnic Weather!

The weather recently has been great and our lovely lunch time supervisors are keen to allow children to eat their packed lunches outside. It's a good idea to send children in with caps and a layer of sun-cream when the weather is bright. Our school dinners are great and Miss Derrick, our cook, would like to invite parents to eat lunch with their children (at a cost of £2 per meal). This is a lovely idea and Year 2 parents are invited on Wednesday 28th of June. We'll send a letter home on Monday 26th June for those that are interested.

## Fun in the sun!

### Walking Day

Friday 30th June is Walking Day. This is an event that is very important to our local community and has been for a very long time. We would like as many of our children to join us as possible so that we can show off our school to the whole of Warrington and support this important local event. Children should be in full school uniform, looking smart and tidy. We'd like them to arrive in school by 9.15am. The walk will finish back at school at 11am. Families are welcome to join us for refreshments in the school hall and then children can be collected and taken home.

### Faith Week

Next week is faith week! Each of our classes will be becoming expert in a different world faith. They will have fantastic opportunities to meet followers of different faiths and visit places of worship: churches, cathedrals, mosques, gurdwaras and temples. Our children will be so worldly! It's never been more important for the diverse groups in our community to know, understand and respect one-another.

*Make sure you ask your child to share with you all that they learn.*

### Balanceability—on Bikes!

Our curriculum is enriched in many ways and this week, our Reception and Year 1 children have been enjoying cycle training on special balance bikes. They had great fun learning how to cycle on our playground.
