## A special visitor...

### SIAMS Inspection

As a Church of England school, we are proud to be a part of the Diocese of Chester. The diocese periodically inspects schools, evaluating the effectiveness of four key areas:

- *How well does the school, through its distinctive Christian character, meet the needs of all learners?*
- *What is the impact of collective worship on the school community?*
- *How effective is religious education?*
- *How effective are the leadership and management of the school as a church school?*

Jean Forward, a diocese inspector, spent a full day in school, watching lessons and worship, meeting parents, staff, governors and of course children. The day was extremely positive and our children and staff were wonderful, as always. We hope to have the report next week and can share outcomes then.

**Internet Safety Day** is a national event and our school will be teaching children how to stay safe online. We'd also like to share that learning with parents too.

We have arranged for a parents' meeting to take place on Internet Safety Day. It's a chance to get together over a coffee and a biscuit and share some hints and tips about using the internet safely. Our children often know more than us about the online world so it's a chance to get one step ahead!

We'll be joined by Kristy Messham from the NSPCC, who will be able to answer any questions you may have.

Pencil the date in your diary, we hope to see you there.

February 6th, 9am in the school hall.

If your child is visiting Spain, have you applied for an EHIC card? This needs to be done within the next few weeks using the following website - this is a free service. Please be aware that some other websites will charge for the service.
