Our value for this month: Forgiveness

Bear with one another and forgive one another if any of you ha a grievance against someone. Forgive as the Lord forgave you. Colossians 3:13

St George's Day and British Values

A London Adventure...

On Tuesday, Year 4 had a very big day out in London. We sped down on the train, visited the British Museum's Ancient Egypt gallery in preparation for our new topic and had lunch watching life go by in Bloomsbury. In the afternoon, we walked to Soho, stopping to look at interesting things n the way. We spent two hours in the world famous Pineapple Dance Studio, learning two amazing dance routines. Afterwards, we watched performers in Covent Garden before an evening meal and then home. It was a long, exciting day and all of our children were a credit to their school and families.

Many thanks to our dedicated staff who go the extra mile to give our children brilliant experiences that they will remember for ever.

Look out on the website for pictures of our adventures.

As the new financial year has begun, all school meals need to be paid for on a daily or weekly basis. Direct debit can be set up which is the easiest option. When school dinners are not paid for, this causes problems for school. If the debt is over £11, then we will be asking you to send your child with a packed lunch until the debt is clear. As a school, the debt becomes our responsibility if it is not paid. This could mean money that should benefit our children is lost. If the debt is not cleared within the month then we have to forward the debt to the local authority to retrieve the outstanding balance. This isn't something we want to do so please ensure dinner money is paid promptly.

Well done to Y6 for winning the attendance trophy last week with 100%.

A Polite Parking Plea

Parking around school at busy times is very limited. This can make life difficult for some of our neighbours in Lord Street. One family in particular need access to the front of their property at all times as they have a severely disabled child. Road access is also needed in case of emergency. Please park considerately at all times. Why not consider walking to school or letting the children ride? This would have health benefits as well as reducing congestion. *Please be considerate to our neighbours.*

We are still outstanding some passports, EHIC cards, some payment and forms for our forthcoming trip to Malaga in May. These are now overdue, please ensure they are in the school office by Tuesday 2nd May, as we have to start the online booking process. A great deal of time and organisation goes into the trip - office staff need your help!

Could we remind all parents to check their children's hair on a regular basis for any head lice and treat accordingly. May we also ask that any child with long hair have it tied up for school—this reduces the risk of infestation. Thank you for you help in controlling this unpleasant problem.

Could we remind all parents that to check that all items of uniform are clearly labelled. Thank you for your help in this matter.

St George's Day

On Monday, school was awash with red and white as we celebrated St George's Day. Children explored the legend of George killing the dragon and thought about the ways his actions can inspire us to do the right thing, thinking especially about our **British values**. We also enjoyed traditional English meals at lunch time! Many thanks to our superb kitchen staff for helping to make the day special.
