Our Value for January: Respect

Do to others what you would like them to do to you.

Matthew, chapter 7, verse 12

We sincerely hope that everyone had a very Merry Christmas and would like to wish all of our families and friends a Happy New Year. We have lots of exciting things planned for this term and hope that everyone will enjoy these very much. We look forward to your continuing support.

Eucharist Services

Our Eucharist services in St James' church are always a joy and we love our children leading our worship. Families are very welcome to join us in church and take part in the service or just watch and listen. The readings are always thought provoking and the singing always lovely.

Applications for Places in Reception Class

Places in Reception class for children starting in September 2018 need to be applied for shortly. The closing date for completing forms is January 12th 2018. The application can be done online at the following address:

www.warrington.gov.uk/admissions If you would prefer to complete the form with some help, this can be done at the council's contact centre by calling 01925 446226.

Did you get a new phone this Christmas? If so please ensure that we now have the correct mobile number for you in case of emergencies. We can also recycle your old mobile—just send it in to school and our eco-schools children will sort it out!

Working Together

Our home school partnership is very, very important to us. Working together effectively helps us to be the best that we can be. We want all of our children to be safe, happy and successful in school. If we have any concerns, we will speak to you so we can work things out. Similarly, if you have any concerns, please speak immediately to a member of staff who will always do their very best to help.

We have an open door policy and will always try our very best to see parents same day so we can fix any problems that may occur. Many conversations take place at the classroom door, but if you'd like to speak privately, our newly refurbished family room is the ideal place.

Capturing Your Views

Staff and governors have been working on a new Equality Policy. We want all of our children to have the experiences they need to 'be the best they can be,' without anything getting in the way. We've published the draft policy on the Policy web page. Have a look and let us know what you think. Comments, question and suggestions to: schoolgovernors@latchfordstjames.co.uk please!

If your child is visiting Spain, have you applied for an EHIC card? This needs to be done within the next few weeks using the following website - this is a free service. Please be aware that some other websites will charge for the service.
