Thomas Darbyshire Gymnastics

Could we remind all parents that children need to have outdoor trainers in school for PE. Pumps are not suitable for outdoor lessons. We are also asking if anyone has trainers that their children have grown out of if they could be sent to school as spares. Thank you for your help. If children wear black trainers for school they shouldn't be wearing these for outdoor PE as they get covered in mud which is then walked through school.

As the weather is now turning colder and wetter may we remind everyone that all children need to have a warm, waterproof coat in school, as they will play outside everyday. Thank you for your support in this matter.

Coffee & Cake

Macmillan Coffee Afternoon
