Remembrance 2018

Well done to Rec for winning the attendance trophy last week with 99.5%

Lest we forget...

This week we remembered our heroic service women and men who sacrificed so much to secure our freedom. Our children have been showing their appreciation and compassion by wearing a poppy. Year 6 led our worship in church with a moving and thought provoking assembly.

Parents Evening

Thank you to all of our families for their support on our parents' evenings. Teachers say it was great to get together to discuss our children and their achievements. If you didn't manage to get to an appointment, don't worry, our teachers will be in touch shortly to arrange one. Don't forget, if you have any concerns or questions in the meantime, you can always arrange to see a member of staff who will be happy to have a catch up.

Children in Need

Pupil Voice—Children in Need

Our school council love to support worthy charities and decide who we will support through the year.

On Friday 16th November, we'll be raising money for Children in Need. We're asking children to wear jazzy socks, maybe even odd ones! We would be delighted if everyone could bring in a small donation for this very worthy cause.

On Friday 16th November, Bethany, Freya and Eloise in Y6 will be selling cakes and cookies to raise money for Children in Need. These will be sold for 50p. If there are any leftover we will be selling them at break on Monday for 20p.

Bagel Bar Begins...

We want to ensure that no child in our school goes hungry. A good breakfast fuels our mornings and sets us up for success. We're aware that for some of our children this isn't always possible, so to make sure every school day starts with a full tum, we're opening our Bagel Bar. For a trial period, during autumn, we will be serving fresh bagels on the playground just before school. There is no cost to parents and the bagels are free to all children. Morning snack will continue as normal.

London Calling! Year 5's London Trip was amazing! The Warner Brothers Tour was spectacular and will inspire us in our reading and our writing. The School of Rock was wonderful and all the children loved it. We learnt more about Parliament as well as we visited both Westminster Palace, Parliament Square, Downing Street and Buckingham Palace. *Thank you so much to our Year 5 staff, Mrs Daintith and Mrs Worrall, who worked tirelessly, without a minute's rest, to ensure each and every one of our children had an amazing experience. I know you'll show them your appreciation too.*
