

Latchford St James CE Primary School PE Grant 2018-2019

The government has provided schools with primary school sport funding which is dedicated to improving sports participation and delivery in schools. Latchford St James received £17,563 in the year 2018-19. This funding can only be spent to improve the quality of sport and physical education for our pupils but the head teacher and governors can decide on how best to spend this grant.

We have been improving the physical education curriculum across the school and can now offer a range of extra-curricular sports to all pupils regardless of their sporting ability. We will continue to improve the staffing/coaching and resources in this area. We endeavour to encourage more pupils to take part in different sports and will be promoting this through our selection of quality after school clubs.

These are the main areas we have utilised this money in:

| | |
|--|-------|
| SW Sports – PE Sports coach to provide lessons within curriculum | 7082 |
| Dance Lessons | 5860 |
| Funding of after school clubs | 1250 |
| Equipment purchased (e.g. dodge balls, medals) | 540 |
| Visits to sporting events (e.g. Football stadiums/Pineapple studios) | 875 |
| Junior play leaders | 1980 |
| Total | 17587 |
| | |

Focus of the PE and Sport Premium spending for 2019-20

The main areas were:

- Employing a specialist PE and sports coach to provide personalised CPD and curriculum support for staff.
- Improving the achievement of the children in all areas of physical education and celebrating personal successes.
- Purchase of PE equipment.
- Encouraging pupils to partake in extra-curricular clubs and increase attendance.
- Partake in local cluster PE and Sports events.
- To increase active participation in PE lessons (fewer forgotten kits etc) and number of children achieving desired levels of attainment within the subject.
- Staff confidence increased in the delivery of teaching PE.
- Greater participation in extra-curricular sports clubs.
